

MATERIAL SAFETY DATA SHEET

Company Identification

Company name	ARKRAY Factory, Inc.
Address	1480 Kojiumeda, Konan-cho, Koka-gun, Shiga 520-3306, Japan
Division	Quality Control
Telephone	(0748) 86-7329
Facsimile	(0748) 86-7352
Urgent Contact	ARKRAY, Inc.
	Production division
Telephone	(075) 662-8958
Facsimile	(075) 661-9435
Date of Issue	18-Mar-99
Date of Revision	17-Dec-01

PRODUCT NAME	Exclusive Washing Solution for OSMO STATION	
SUBSTANCE IDENTIFICATION	Constitution (single/ mixture)	: Mixture
	Chemical name	: -
	Ingredients and content	: Less than 0.1% of Sodium azide.
	Chemical /Structural formula	: -
	Reference No. in gazette	: -
	CAS No.	: -
	U.N. Classification	: -
	U.N. No.	: -
HAZARDS IDENTIFICATION	Classification Name	: No applicable classification
	Degree of danger	: Stable at the normal handling
	Toxicity	: Skin contact may causes inflammation or eczema.
FIRST AID MEASURES	Eye Contact	: Immediately flush with copious water at least 15 minutes, and then see a doctor for a checkup.
	Skin Contact	: Take off contaminated clothing and footwear. For the skin, wash off the material with copious water. See the doctor, if necessary.
	Inhalation	: Move the inhaled person to the place where he/she can breathe fresh air. Wrap the person in a blanket to keep warm and give a rest. Blow the nose and gargle. See the doctor, if necessary.
	Ingestion	: Wash the mouth and drink a large amount of water or salted water. Do not force to vomit . See the doctor immediately for the medical treatment.
Combustibility		: Nonflammable
Accidental Release Measure		: Wash the material off with copious water.
Handling and Storage	Handling	: Avoid skin and eye contact.
	Storage	: Avoid direct sunlight. Close the container completely and keep them in a cool and well ventilated place.

Exposure Control/ Personal protection	Concentration for control	: Not regulated
	Acceptable Concentration	: Not regulated
	Protection for facilities	: Not necessary
	Protective tools	: Wear protective clothing, including glasses or gloves, if necessary.
Physical and Chemical Properties	Appearance	: Colorless to pale yellow transparent liquid
	Cloud point	: 65°C
	Liquid Characteristics	: Neutral
Stability and Reactivity		: Stable under normal conditions
Toxicological Information		
	Irritation (skin / eye)	: Slight skin irritation. Mucous inflammation or eczema may occurs.
	Sensitization	: No specific data is available
	Acute toxicity	: No specific data is available
	Chronic Toxicity	: No specific data is available
	Mutagenicity	: No specific data is available
	Carcinogenicity	: No specific data is available
	Tetrogenicity	: No specific data is available
	Reproductive toxicity	: No specific data is available
Ecological Information	Biodegradability	: No specific data is available
	Bioaccumulation	: No specific data is available
	Ichtyotoxicon	: No specific data is available
Disposal Considerations		: Dispose used product as infectious medical waste by following local regulations. : For unused product, run copious water to dispose.
Transportation considerations		: Ensure no leakage from container. Ship them with taking care not to tumble, drop or damage them.
Regulatory Information	Guideline of medical waste disposal based on the waste processing law (Health, Labor, and Welfare Ministry)	
	Fire Protection Regulation	: Not applicable
	Health and Safety Regulation	: Not applicable
	Toxic Substance Control Regulation	: Not applicable
	Hazardous Substances Transportation and Storage Regulation	: Not applicable
